School Trustlands Monies Proposals

Discussion was held today and presentations given from various Layton High School departments requesting funds from the 2017-2018 Trustlands money. Layton High School will be receiving approximately \$187,772.

The following requests were approved for funding for the 2017-2018 school year.

Math Department: \$34,068 to be used for 40 computers and cart and summer time salaries to add additional math tutorial videos and links to Math teacher's calendars and websites.

Technology specialist: \$43,520 to update computers and projectors throughout the school.

Language Department: \$26,000 for a Language Lab. If LHS will pay for one lab the district will put in another one at their expense.

Drama/Theater Department: \$1,000 for additional lighting for LHS productions.

English Department: \$5,000 to purchase non-fiction books to be added to English classroom libraries.

Band: \$5,000 to purchase additional band instruments for the growing band program.

Administration: \$50,000 for Productivity, \$10,000 for Chinese teacher, \$10,000 for Tracker and \$3,000 for an ACT strategies class.

Other requests were considered but it was determined that other funds were available for those requests.
